WHO IS THIS GROUP FOR?

This is a group for parents and carers of SEND children. You do not need to have a formal diagnosis; we just want to create a space where you can chat to other parents in a similar situation. For families with children age 0-12 years.

WHAT IS THE FORMAT?

It will be a casual, “coffee morning” style group, however we may sometimes lead with a topic to break the ice or start the conversation.

WHAT WILL I GET OUT OF IT?

An opportunity to access support / information from the SEND specialist practitioner and children’s centre staff.

We hope that you will be able to have some beneficial discussions with other parents, create contacts and friendships in your community, and an opportunity to let us know what support/sessions you need for SEND children within your locality.

SEND sessions taking place throughout all localities.

Please contact your local Children’s Centre for more information and for session dates and times.

Currently delivered on Microsoft Teams.
