INTRODUCING ETONBURY ACADEMY'S BRAND NEW P.E KIT FOR SEPTEMBER 2022

The new P.E Kit will be available this year for all students starting in YEAR 5 in September.

We completely understand that some parents/guardians may not have been planning to buy new kit this year, therefore **it is acceptable for the students to still wear their old kit for as long as it fits.** As students outgrow their existing kit, it will be expected that the new kit will be purchased.

It will be available to order on the school web shop from April 2022.

Our top uniform buying tips...

Boys Trousers

These fit true to size and have an adjustable waist.

Skorts

These come in waist sizes and have an elasticated waist, use your skirt waist measurement as a guide.

Blazers

You may want to go for a slightly bigger blazer size if your child will be wearing a jumper during the winter months. Make sure when you try on your blazer the sleeves come down to the knuckles to allow for growth and across the shoulders there is also room for growth.

School Ties

There are two lengths of ties available (see webshop).

Girls do not need to wear a tie. Therefore make sure you purchase Revere Collar Blouses as opposed to button-up blouses.

Year 7-11 Skirts

Skirts have an adjustable waist. Fit just below the knee to allow for growth.

PE Tops

PE Tops should always be bought slightly bigger to allow for growth and ease of taking on and off in a hurry when changing.

PE Shorts

The PE Shorts have a draw string to pull the waist in tighter.

Don't forget

Don't forget name labels, water bottles and mouth guards!

Building a greener and fairer future

We are committed to doing the right thing for the planet and our people, to ensure we build a fairer and greener future together.

Our boys shorts and trousers are made from 65% recycled polyester and up to 11 plastic bottles are recycled to make the polyester

Our sweatshirts and cardigans are made from 55% recycled polyester and up to 11 plastic bottles are recycled to make the polyester

We are doing our very best to ensure all packaging is sustainably sourced by 2025. By Back to School 2025 we could have saved 50million+ bottles from landfill.

TOTAL CLOTHING – SHARE – REUSE – RECYCLE

As part of our recycling programme we partnership with schools overseas and the UK to ensure that no garments enter landfill.

Second hand uniforms are becoming a credible sales channel and we host Swapping events at our store to enable parents to re-cyle grown out of school uniform rather than it going into landfill. "Long Live School Uniforms"
