

8th January 2010

Dear Year 6 Parents,

SATs EVENING THURSDAY 21st JANUARY

You will no doubt remember from our recent Newsletters that we will be holding a **SATs Parents' Information Evening on Thursday 21st January – weather permitting (*for parents only*)**. This will give you an early opportunity to gain as much information as possible regarding the forthcoming testing arrangements for your child at the end of Key Stage 2 in May. I would therefore like to extend my personal invitation for you to join us on **Thursday 21st January at 7.00pm – 8.00pm**, when colleagues and myself will outline the testing process and answer any concerns you might have for example, 'booster' or targeted support for your child.

We have already started our programme of support, during lesson time, to raise pupil performance in Literacy and Numeracy with form, group or individual assistance directed towards improving standards in these two vitally important areas. Annual School Reports will be sent home for year 6 pupils just before half-term, prior to the **parents' evening on Wednesday 3rd March**, when you will have an opportunity to discuss your child's individual targets with the particular subject teacher.

I look forward to meeting you again on **Thursday 21st January** when we can also give you some ideas about how you can support your child. May I also take this opportunity to wish you a belated happy and prosperous New Year.

Refreshments will be provided and I would be grateful if you could return the reply slip below to your child's form tutor, **by Friday 15th January**, in order to assist our arrangements.

Yours sincerely

Mr I Mitchell
Headteacher.
